## DEATH IS LAMENTED

Impressive Memorial Service for Dr. Stafford.

EULOGY BY FATHER O'CONNELL

Archbishop Keane Officiates at "Month's Mind" Solemn Requiem Mass for Late Pastor of St. Patrick's Church-Distinguished Clergy and Laymen Present.

It was not remarkable that there was such an outpouring of people to show their love and respect at the funeral services of Father Denis J. Stafford month ago, but it was wonderful-and a fine example of how dearly he is held in the minds and hearts of those he served so well-that at the memorial service yesterday morning at St. Patrick's Church the edifice should be crowded in every part, the aisles filled with mourners, and he chancel crowded with Dominicans, Trappists, Jesuits, and other priests, assembled to assist in the "month's mind" colemn requiem mass celebrated by his old-time friend and coadjutor, the Rev. J. T. O'Connell, of Toledo, Ohio.

St. Patrick's bore much the same aspect as it did on that dreary, stormy day, Janary 7, when the funeral service over St. Patrick's beloved pastor was held. Since that time the somber draperies that covred the white marble of the chancel and hich hid the artistic beauties of the altar have not been changed. Still is the church where so long he labored draped a mourning, and still the lights burn dimly, as if in sympathy with the sorrow of the congregation who miss his presnoe and hearken in vain for the echo of

Trappings of Grief.

There where, thirty days ago, he lay, is face, beautiful in death, uncovered, that all who loved him might take their has resigned. alque, but none who saw it there but Fourth Assistant Postmaster General.

tee, After Long Debate, Come to No Conclusion on Universal Transfer Question-See Solution of the New Union Station Traction Tangle.

After debating among themselves for

any days the House District Commicheerfulness was manifest when the employes of the Washington Navy Yard marriage of her daughter, Miss Bessie tee at last decided yesterday that it can now see some light as to the solution of the Union Station trackage problem. After a debate of several hours yester ay, the committee came to the conclusion nat it will recommend that the traction ompanies be permitted to place two tracks between the Union Station proper and the "plaza." The railroad experts to work in the morning, worried by the Philadelphia Orchestra Present Best who came before the committee all asked that four tracks, two for ordinary use and two for emergency use, be permitted, but the committee could not see the advisability of such a move.

The cars, according to the new scheme, will run from F street northeast down to a new street to be opened there between the station and the plaza, out Massachusetts avenue to Fifth street and down Fifth to F street northeast, and vice

Loop Around the Plaza.

The plan proposed by the traction ompanies contemplated a loop around the plaza, whereby they would be able according to Gen. George H. Harries, vice president of the Washington Railthat about 9,000 people could have been fifty persons boarded each car.

By the new arrangement the cars on Delaware avenue are to be cut out entirely. Another line approved will extend Seventh street northwest to New Jersey avenue, then to the station. Another The committee will not meet again un-
